Procurement Value Delivered

Issue 11, 2 May 2018

This Week's Highlight

GPP4Growth

The Department of Communications, Climate Action and Environment is a partner in the Interreg Project, GPP4Growth. This project brings together partners from nine countries, to exchange experiences & practices and improve their capacities on implementing resource efficiency policies that promote eco-innovation and green growth through Green Public Procurement (GPP).

For more information on the project, click below.

Alternatively, if you would like to keep up to date with the project and other GPP updates and activities, email GPP@dcae.gov.ie to be added to the Department's mailing list.
