

## Procurement Transformation Institute *Procurement Value Delivered*

Issue 19, 4 July 2018

### This Week's Highlight

PTI are delighted to announce that Ingrid De Doncker has been invited to speak at this year's **IFPSM World Summit**, a cutting-edge procurement event organized annually by LOGY and IFSPM.

Taking place in Helsinki, Finland this September, it will be a unique opportunity to experience an international, cutting-edge purchasing event that includes a top-notch Summit, front line domestic and international speakers in the industry and a first-class Summit experience for both attendees and partners.

Ingrid will be speaking about "*Procurement: The Catalyst for Innovative Solutions*". Other key themes include megatrends, technology utilization, sustainability and the human factor.
